ANR Group Inc

ANR is a small woman owned business located in Richland, Washington. We provide both fulltime and temporary recruiting services to clients worldwide.

Temporary Assignments

Temporary assignments allow new grads to gain experience, provide experienced applicants a short term solution to unemployment and allow retirees flexibility. Hourly compensation for temporary assignments is usually higher than a fulltime position. Temporary assignments may also include a daily per diem rate to cover living expenses.

Fulltime Positions

ANR provides clients with targeted recruiting services to help them find the right person for hard to fill positions. ANR works with the client and the candidate to make sure the position is a perfect fit for both parties.

Domestic Assignments

ANR Recruits for Department of Energy, Department of Defense, Commercial and Industrial projects nationwide.

International Assignments

Get paid to see the world. ANR recruits for temporary and fulltime positions world wide.

Professional Support

ANR wants you to be successful. From tailoring your resume to walking through the door on your first day. We are there for you throughout the entire process.

Confidential Services

ANR services are confidential. Your resume is never submitted to a client without your permission.

Community Involvement

ANR is actively involved in the community. We believe in being part of the solution. ANR recruiters are involved as support personnel for law enforcement, emergency response and emergency management organizations.

Where do I sign up?
