➤ **Washington State University & NorthEast
Washington ESD 101**

**Joint Meeting of WASA Small Schools Committee & Rural Ed. Center
June 27, 2011**

REC Updates & Activities

❖ Consolidation of School Districts

- “Off the radar for now, but still very much on the map?”
- Sam Hunt’s bill and the response: Advocacy and education can work!
- What impact will a new governor have on this issue?
- Continue to be a strong advocate for your “**community** school district”
- The data regarding small districts is still impressive!

❖ Compensation Technical Working Group

- See handout for specific details
- REC Director –serving on this work group...I will need your input and feedback
- How will this impact small and rural districts?

❖ SSB 5184: Compliance Reports for Second-class School Districts

- Significant **recognition** of small districts...
- Bob Butts from OSPI is here to get some input from small districts

❖ TPEP

- Is your district preparing for the new evaluation system?
- NorthEast Washington ESD 101 TPEP Consortium: a great resource

❖ REC Member Meeting to Follow...(all are invited)
