\*SSAWW members are eligible to receive a discount on subscriptions to *Legacy*. Members may purchase an individual subscription to *Legacy* through the University of Nebraska Press. The Press annually requests a list of SSAWW current and lifetime members and then sends out a solicitation with the discount information, usually in the spring. It's up to the members to send in subscription information. If you wish to subscribe at other times during the year, simply note on the subscription form that you are a member; the SSAWW treasurer will confirm this information with the Press if necessary.
